Subject: sorry we've missed each other today

Hey – sorry I've been difficult to reach today. on top of an already crunched day I ended up needing to go to the doctor for some severe neck/back pain and was there for a couple of hours.

I have a number of things I need to brief you on from my meeting with Strickland today. if you have time for a call now, please call my cell. If not, do you have time in the morning between 9:30 and 10?
